Dear Thomas Schirmmacher,

On behalf of Save Ukraine NGO, I would like to thank you, the World Evangelical Alliance and Gebende Haende, for your generous contribution of 17421.49 USD and 20 000.00 EUR towards our work of evacuation, accommodation, providing food, medicine, psychological assistance and consultations to Ukrainian families and children in combat zones in Ukraine.

Since 2014, Save Ukraine NGO has extensive experience in evacuating and supporting families during the occupation of Ukrainian territories. Since the beginning of the war on February 24th 2022, we were able to evacuate more than 10,000 children with families, provide food to more than 15,000 families and children, accommodate more than 8,000 people and give more than 5,000 consultations providing psychological, evacuation, opportunities and resources advice.

Because of your generous donation, we are able to evacuate and provide for a few thousands children and families from hot spots in the east of Ukraine transiting Kyiv and then put them on the train to the west of Ukraine or Poland. The children and families will have a chance to have accommodation and humanitarian help in Kyiv and other transition points where our centers are located. After settlement to safer places, the process of social rehabilitation of families and children will begin.

Again, we thank you for your generosity and look forward to working with you again.

Sincerely,

**Mykola Kuleba**  
CEO, Save Ukraine NGO

**Oleksii Fedchenko**  
Director of Save Ukraine NGO
