

"The **Spirit of the Lord** is on me,
because he has anointed me
to proclaim good news to the poor.
He has sent me to proclaim freedom for
the prisoners and recovery of sight for the
blind, to set the oppressed free,
to proclaim the year of the Lord's favor."

Luke 4:18-19

CHURCH ENGAGEMENT

A Department of the World Evangelical Alliance

About the WEA

World Evangelical Alliance is a global ministry working with local churches around the world to join in common concern to live and proclaim the Good News of Jesus in their communities. WEA is a network of churches in 143 nations that have each formed an evangelical alliance and over 100 international organizations joining together to give a world-wide identity, voice, and platform to more than 650 million evangelical Christians. Seeking holiness, justice and renewal at every level of society - individual, family, community and culture, God is glorified, and the nations of the earth are forever transformed.

The Church Engagement is a department of the World Evangelical Alliance that shares in common a passion for disciple-making for healthy churches and for churches that make a difference in their community.

Business Coalition

The WEA Business Coalition is a connection & support hub for various organizations between businesses, business ministries and churches. It is uniquely positioned to 'join the dots' of the many regional and national marketplace ministries in order to catalyze greater leverage and impact within the evangelical community and thereby transform societies. Many existing organizations are doing great work and the WEA's position is to provide a global platform for collaboration and "cross-pollination" of innovative ideas.
